S SENIORS

Class Song

TUNE: "Galway Bay"

Words by Kenneth Harvey

We are just another serious group of seniors
bidding fare-the-well to dear old Newville High.
We have laughed and frowned and played and worked
together.

The mem'ries in our hearts will never die.
We shall ne'er forget the friendships we have made
here;

The guidance of our teachers kind and fair
In our dreams we'll often come to Newville High
School

And find again those memories we share.

Chorus:

When we all have gone and left our Alma Mater,
We'll oft recall our days at Newville High.
We have learned to love her by our years spent
with her,

And to our school we now must say, "Good-bye"

Class Prophecy

As we drive into the future after five years we come across a different Newville than we left in the year 1949 It is now the year 1954.

Greater Newville.

We are taking this cruise in a handsomely styled '25 Ford owned and operated (more or less) by E. Lee Oiler, Jr., nationally known new car dealer for

We are now approaching Newville and we pass Lee Berry roaring along in his 1953 jet propelled tractor, with Nelson on the wagon behind helping his neighbor farmer harvest grain. Irvin is suffering from a bone chip in his elbow and has a vacation from playing with the Boston Red Sox, although he should have a vacation as he hit 63 home runs last year, (off season).

Farther on which is where we while she

down the road we came to Mikesell's Riding Academy located near Klinglus Electrical Corporation, see Mrs. Klinglus (Josephine Brandt) taking notes is sitting, of all places, on her husband's lap.

As we progress down the traffic jammed road, we see Souder- prominent Newville farmer, driving his cows across the new four lane "super" constructed under that prominent local contractor's supervision- John Swartz!

It is dark as we drive into the center of Newville and about blinded by the neon lights and electric signs being hungry we stop at the Hamilton Restaurant, owned by Dora Hamilton, where we were to be assisted from our car by Major Domo Williams Fickes. As we hand the doorman two bits, we give our coats and hats to the lovely hat check girl and pass Anna Mae Hoover, the young Newville debutante as we go into the dining room we are waited on by the head waitress, who is Marie Brown, and she informs us we are for a real treat. The floor show we were about to see was the "Dorling Witmer's", Margaret, Nancy, and Clarabelle in a dancing trio, as the main event featuring the evening's show. Who should come over to our table but Mary McGowan and Geraldine Rebeck who just got off duty from nursing at the new Newville Polyclinic Hospital.

As we leave the restaurant we see a poster on the wall advertising a lecture on the "racial problem", by the philosopher, Dorothy Webber.

History

I

The history of the Class of '49 will never be recorded in the files of unforgettable status. Yet, in its very simplicity lies the story of the beginning and end of memorable situations unforgettable for those members participating. The class of '49's first existence was to take place in September, in the year 1945. After the newness of the class disappeared and fellowship became apparent, class officers were elected. The class was divided into two sections with Miss Leone Monteith and Mrs. Lee Finkenbinder chosen advisers. This first year Kenneth Harvey was elected to the presidency, with Dora Hamilton, vice-president; Marion Meals, secretary; William Fickes, treasurer; under whose efficient leadership, with cooperation of class members, the year continued in full swing. Two skating parties were the high lights of the year, and were enjoyed by everyone. And Thus Endeth the Events of the First Year.

II

Early in September of 1946 the class of '49 returned to school - a member missing here and there, a member added here and there but in spite of changes, spiritually the same, all eager to re-unite old friendships and start school life anew. This time we were together as one body, under the leadership of Mr. Woods. Business was under way and class officers were again elected. These were Kenneth Harvey, president; Dorothy Webber, vice-president; Mary McGowan, Secretary; William Fickes, treasurer.

The main events of the year were a skating party and a picnic. The latter was one of the most successful and unforgettable get-togethers we had ever witnessed. A grand outing was held along the Conoquinet Creek at Koser's cottage.

Looking forward with mixed emotions to our Junior year we too looked backward with no regrets and a feeling of happiness for the year just ended.

III

Our Class of '49 again returned as one body- the Juniors. Officers were immediately elected for business soon came into existence. Kenneth Harvey was again named president, Mary McGowan, vice-president; Dora Hamilton, secretary; William Fickes, treasurer and Eldon Jumper added as historian.

Members of the class were called together for a very special and significant factor by the class adviser, Mrs. Finkenbinder. The very first Junior Prom ever to be held in Newville became the main event of the day. However after several months of hectic planning and also furious doing, everything was in readiness, and the happy night arrived. Under the guidance of Mrs. Finkenbinder, with the help of other faculty and class members, the entire school and our guests "Our Prom" was made a success.

Class History

The next important event of the year was the Junior-Senior banquet sponsored by the Juniors. After much planning and hurly-burly, came the day. Its success was due to the participating of class members in the entertainment for the night. With a warm feeling between the two classes, our store of pleasant memories increased as our third year drew to a close.

IV

Having gone through the early stages of High School, the class returned more mature and with a definite purpose of life in view. We after all were now Seniors. Social obligations and responsibilities were fast becoming realities and not topics for P.D. class. This our final year was filled with sadness and loss.

Lighter moments of the year featured the Junior Prom which was well attended by all. Being the second of its kind and since we were its creators, we watched its progress with parental interest.

Feeling the benevolence of our mood, we supported the Soph Hop in early April. This "Shower" dance climaxed the year's outside activities, and possibly - just possibly - all the showers were not those of the decorations. After all, if you are a bit of a romanticist it was our last inter-school function.

But- On to Washington! Mr. Deeds went there, "Harry" made it, and with a minimum of fuss and our chartered bus - so did we!

Upon returning from our trip, we were met face to face with our final exams. Like I've said before, not all events in our Senior year were happy ones, but the last milestone in our journey had now been reached and passed. We were Graduating!

ON FRIENDSHIP

*A cherished friend is never lost.
Though time may intervene,
And fate conspire to separate,
And miles lie between,
A friendship that is built on faith
And trust and shining truth
Remains as steadfast through the years
As in its radiant youth:
Twin tapers with converging rays
That shed but one united blaze.*

JUNIOR VARSITY

Basketball Team

The Varsity and Junior Varsity basketball teams, under the progressive guidance of Coach Richardson C. Tritt, had a heavier schedule than last year, and was said to be one of the heaviest in the history of Newville High.

Our practice sessions started in early November. Our squad numbered about twenty-five candidates. We started our season on December 13th and played a full schedule of games (17) through to March 4th--winning 6 and losing 11.

The Varsity was led by four lettermen: Finkey, Swartz, Reid, and the team captain, Barrick. Other strong links in the team chain were: I. Nelson, Craig Funston, B. Shearer, and Bob Mowery - all newcomers to the Varsity squad, but stellar men from last year's Junior Varsity.

The Junior Varsity, led by G. Mowery, Watson, Gross, Morrison, and Jones, won 8 and lost 6 of their 14 games.

The Bulldogs will enter league play next year having been accepted as members of the Adams County Athletic Association. Members of the athletic committee that helped this project along were Lloyd Woods, William J. Porter, and Richardson C. Tritt.

Next year will also feature varsity play in the same league for girls' varsity and junior varsity teams. All home games will be played in the new Memorial Hall.

1949 SQUAD

Coach Tritt has the following lettermen back to form the nucleus of his 1949 varsity baseball team:

Irvin Nelson - Catcher
 Craig Funston - First base
 Wayne Reid - Pitcher
 Walter Jones - Third base
 Bill Shearer - Second base

1948 HISTORY

Weather conditions last year limited the schedule of high school twirlers to five games. Our first game, under the pitching of Jay Ginter and the slugging of Irvin Nelson, saw Boiling Springs going down to the count of 4 to 2. Shippensburg won the next hard fought contest in a late inning rally. Boiling Springs was again defeated for the sum of 5 to 4 on a home run by Nelson - Ginter again doing the mound work. Shippensburg met a similar fate, going down before the Bulldogs stick-work 5 to 4 in the fourth game of the season. The final game saw Dillsburg eke out a 3 to 2 win; giving us three wins and two defeats for the season.

Big Crowds Giggle Cheer as Students Give First Comedy

By DORIS BREWBAKER
Guest Drama Critic

With thundering applause echoing through the auditorium of Newville High school, students presented on last, Thursday and Friday the Broadway show by Cornelia Otis Skinner and Emily Kimbrough, "Our Hearts Were Young and Gay"

To say that the youngsters did their parts well in this, their first dramatic vehicle of the 1948-49 school term, would be putting it mildly. They were excellent, according to the applause which greeted them at both appearances before large evening crowds and and at the matinee for students.

Rave Review for Senior Play

The Newville Record

"Our Hearts Were Young and Gay", the comedy written by Cornelia Otis Skinner and Emily Kimbrough, lost none of its brightness and gaiety when presented by Newville High School last Thursday and Friday nights. Newville students, in their interpretation of the play, gave it the zip and sparkle necessary for a full evening's enjoyment. Members of the cast were well chosen, and carried out in an admirable manner the amusing situations as they developed.

Adelaide Houck was perfect as the romantic Cornelia, and a good

MUSIC DEPARTMENT

The Music Department, a well organized institution of Newville High School, flourished strongly this year. Besides furnishing tuneful music, both vocal and instrumental, for a number of occasions, the members found that belonging to its various organizations was helpful and inspirational.

The fifty member Glee Club figured in more events than the band or orchestra as far as raising money was concerned. The chorus worked hard to present a very lovely Christmas candlelight service, December 17. Selected members of the chorus attended a Cumberland County Choral Festival in Shippensburg on March 4. A good portion of the Glee Club attended the concert. Lastly the chorus furnished special music for commencement.

The thirty piece band played on Armistice Day and Memorial Day and several times for assemblies. It also furnished the music for the April meeting of the Band Parents Association.

The twenty-five piece orchestra played for the candlelight service, for several assemblies, furnished the music for commencement, and played between the acts of the annual school play and the grade school operetta, "Hansel and Gretel".

The Band Parents Association, organized two years ago, besides sponsoring only the instrumental groups, also included the Glee Club in its expense account. The association furnished and paid for the bus that took the chorus to the All-County Choral Festival on March 4. Several additional instruments were bought.

The Future Homemakers of America organized this year with a membership of thirty-two. The general purpose of our group is a look to the future and our place in the world of good homes and homemakers. Several interesting trips were made by the club to the Pennsylvania State Farm Show at Harrisburg and to the fashion show in York. One of the outstanding social events of these past months was the Christmas party that featured a scavenger's hunt and a dance. Dues are paid by the club members and other projects have been conducted.

The Newville Chapter of the Future Farmers of America started in the year of 1930. The general purpose of our group is to learn new methods of farming and to do practical work on various types of projects in connection with our agricultural interests. Several successful drives were made and completed to meet the financial obligations of the group. Also several social functions were held. Notable among these was the picnic at Doubling Gap last spring, and the trip to the Pennsylvania State Farm Show at Harrisburg in January of this year. Each year a calf is given by the Sears Roebuck Foundation to the unit. There are twenty-seven active members in the group this year.
